GAVE HIM BURIAL

Friends Aided in Paying for John Wilmerink's Funeral.

The family of John Wilmerink, the young man who was shot and almost instantly killed in a bar room fight one week ago, are indignant over the circulation of a story that money contributed to defray the expense incurred in giving the body burial and prevent its being turned over to the medical college, had been used for other purposes.

Mrs. Wilmerink and the sister paid Undertakers Stein & Platte \$25 for the funeral which was held Wednesday afternoon and the remains were interred in Valley City cemetery. The mother and sister have a paper showing the contribution and name of each contributor and it does not foot up to \$25. The remainder of the cash was given by the two uncles of the dead man.
